St. Luke's by the Numbers 2024 Elmore County Overview

St. Luke's Elmore Medical Center is a critical access hospital serving Mountain Home and the large, rural areas of Elmore County. The former Elmore Medical Center was founded in 1955 and integrated with St. Luke's Health System in 2013. The hospital, area clinics and local providers are a vital part of this close-knit community, which includes Mountain Home Air Force Base.

All numbers are current as of the fiscal year ending Sept. 30, 2024.

“*At St. Luke's Elmore, our mission goes beyond providing health care. We are deeply committed to the well-being of our community. One way we demonstrate this commitment is through our support of Community Health Improvement Fund grants. These grants enable us to support local schools, enhance parks and recreation, and care for our seniors via Meals on Wheels, which delivers nutritious meals to elders and other vulnerable individuals.*
